Application Process for Whithorn School of Theology

How to Get Started?

Send us an email at admissions@whithorn.org and explain your situation and ask whatever questions you have. Generally, we will then want you to send us the following, either by email or snail mail as appropriate:

1. Your name, address, telephone numbers (home, work, cell), and email address.
2. A standard resume listing employment history, education, references et cetera.
3. A paper describing your faith journey. What is your religious background? Your spiritual history? What has brought you to where you are today?
4. All persons formally enrolling at Whithorn School of Theology shall through written statement set forth personal expectations and goals regarding their chosen academic program. Why are you considering enrollment in the WST? What will you do with your education?
5. So that we can make sure you are who you say you are, send us a photograph (3x5 or larger), a photocopy of your drivers' license or other official photo ID, and your social security number.
6. Permission from your religious superior if you are under the protection of such; copies of educational transcripts, letters of reference, 4 personal 1 clergy.
7. We will also need a non-refundable \$50 application and if you are applying for life/ministerial experience credit or transferring academic credit we will need a non-refundable \$150 portfolio evaluation fee. (All fees to be paid online.)

We will protect your private information and maintain it in WST's central files. It will not be released to others. After the application process is complete you will be assigned to an academic mentor to guide you through the rest of your chosen program.

May God guide you and bless you!
